Fort St. George, Madras.

Sir,

I understand that the appointment of D.I.G. of Police for Bellary is to be abolished immediately, in which case his quarters will be available. As the bungalow now occupied by the Superintendent, Central Jail, Bellary, is, as already explained, unsuitable for an officer of the status of Superintendent of a Central Jail, I have the honour to request that Government may be pleased to consider the question of transferring the D.I.G's quarters to the Jail Department for the permanent use of the Superintendent, Central Jail. These quarters are situated close to the Jail and would suit our purpose admirably.

2. In the event of the quarters being transferred to the Jail Department, I propose utilizing the present Superintendent's house as quarters for the Jailer and handing over the latter's quarters to the Deputy Jailer whose present quarters are to be demolished in connection with the scheme to provide a cellular annexe for undertrial prisoners - Vide para 2 of my letter No.G/108 dated the 10th February 1923 disposed of in G.O.No.917-C-1, dated the 20th February 1923.

I have the honour to suggest for the approval of Government that on the abolition of the post of the Deputy Inspector-General of Police at Bellary, the Government quarters provided for his residence there may be transferred to the District Superintendent of Police.

2. The present bungalow of the Deputy Inspector-General of Police was the old District Police Office building which was converted into a combined office and residence with reference to G.O. No. 1324 W, dated 16th September 1921.

The District Superintendent of Police reports that the office portion of the building is not fit for residential purposes and I have asked him to get a statement from the Executive Engineer as to the proportion of rent which should be deducted for it as it will not be required by the District Superintendent of Police. This information will be submitted to Government as soon as it is received.

Consequent on the abolition of the post of the D.I.G. Police at Bellary, the Government quarters provided for the officer at that place have fallen vacant. The I.G. of Prisons has applied for transfer to the jail department, (for use as the Jail Supdt's quarters) mainly on the ground that it is situated close to the Jail and that the bungalow now occupied by the Supdt of that jail at Bellary is quite unsuitable for an officer of that status and that it is therefore, not possible to post a senior Supdt or I.M.S. officer to the charge of the jail.

2. The D.G. of Police has applied for the same bungalow for use as quarters for the H.C. However, points out that the bungalow was the old D.T.P. office building converted into a Combined office and Residence and that, as the office for

Buildings - Government - Bellary - residence of the Deputy Inspector - General of Police.

Ref:- Your memorandum No. 2063 A.C/24-1 dated 5th June 1924.

The bungalow was inspected by the Executive Engineer and myself together this morning 19-6-24. It is not at best a very satisfactory residence as it is so badly planned.

2. An annexe to the west of the bungalow was built to accommodate the Police stores when the whole of the lower part of the bungalow was used as the District Police Office. These rooms are quite useless for residential purposes and their existence spoils at least one set of rooms on the ground floor.

3. Upstairs there are 2 central rooms with a set of bedroom, dressing room and bath room on each side. The set on the west is spoilt by the fact that the dressing room is the only passage from the stair case to the main rooms.

4. Undoubtedly the most satisfactory use to which the building could be put would be to revert to the old practice of using the upper story as a residence forthe District Superintendent of Police and the ground floor the District Police office.

At present the District Police office is in a

rented building taken unfortunately on lease on most illadvised terms. However that building is threatening to collapse. It ought therefore to be easy to declare the agreement void. Part of the building is indeed already dangerous.

Copy of letter No. G.991, dated the 1st July 1924 from he Superintendent, Central Jail, Bellary, to the Inspector-eneral of Prisons.

In continuation of my letter No.716, dated the 10th May 1924 havethe honour to bring to your notice that, according to the roposals made for building additional Quarantine cells, the Deputy Jailer's quarters will be demolished and the Jailer's quarters given to him; the Jailer to occupy the Superintendent's quarters and the Deputy Inspector-General of Police quarters close to the Jail to be transferred to the Jail Department and given to the Superintendent. As now the quarantine cells scheme has been sanctioned, early steps have to be taken to transfer the Deputy Inspector-General of Police quarters to the Jail Department. This transfer was decided on, as there is no other building in the vicinity of the Jail except the one under reference. The quarters now given to the Superintendent is an old dilapidated structure unsuitable for an officer of that rank; it can however be made suitable for the subordinate officers with minor alterations. As the Deputy Inspector-General's quarters have fallen vacant since April last, on account of the abdlition of that office, it is now time for the Government to transfer that building to the Jail Department. Reference is invited in this connection to G.O. No. 1118 C-2, dated the 4th March 1924, Law (Genl) .n which the Government asked the P.W.D. not to allot the Bellary eputy Inspector General's quarters to other Departments. I therefore equest that the Government may now be addressed to transfer the uarters to the Jail Department for occupation by the Superin-endent.

Ref;- Para 1;-your memorandum No.2283-A2 dated 18-7-24

In continuation of my letter ref;-C.No.1192/24 dated 20-7-24 I now report that I have visited the residence of the Superintendent Bellary Central Goal. It is true the bungalow is old, but I really cannot regard it as unsuitable as a residence for the Superintendent. It is close to the Goal. The upstairs room needs a sloping veranda, and there is a useless building in the compound which ought to be demolished. For an Indian officer it is undoubtedly much more suitable than the present District Superintendent of Police house, and for a European it is by no means impossible.

CURRENT NO. 1183 LAW GENERAL

My Dear Knapp,

Please refer to Government Memorandum No. 2893 C-1, Law (General), dated the 9th July 1923, re: the transfer of the quarters of the D.I.G.of Police, Bellary to the Jail Department. I understand that the appointment of D.I.G.of Police for Bellary District is to be abolished immediately, in which case, his quarters will be available. The bungalow now occupied by the Superintendent, Central Jail, Bellary is quite unsuitable for an officer of the status of Superintendent of a Central Jail and this has been repeatedly brought to the notice of Government. The D.I.G's bungalow is situated close to the Jail and would make an admirable Superintendent's house - especially as I am anxious to hand over his present quarters to the Jailer and the Jailer's to the Deputy Jailer, as the last named officers' quarters are to be demolished in connection with the cellular blocks, to be built for the custody of undertrial prisoners, which encroach on to this building site. I cannot very well post a Senior Superintendent or I.M.S. Officer to the Bellary Central Jail until a suitable house is provided, as the present one is really too small and unsatisfactory. If you can get the D.I.G's house for the Jail Department all will be well, and a golden opportunity has now arisen. I have addressed Government officially in this connection as well.

Yours sincerely,

We can not kill all in blue but unless the relative bungalows are known to the notice we don't get much position. However Jaish would take the whole bungalow (the Supdt his, 2 others, not given) and DSP would we want other part (he pays rent). But we insisted throw over our DSP for this reason.

The report called for in the memo at pp 9-10 C.F. has not yet been received. The Collector & the E.E. may be reminded on 30.6.24.

2 With reference to the telephone message from the D.G. of police and the judicial deptt's reply thereto at p 12 ante it is submitted that the D.G since reported that the building was occupied by the Supdt of police on the 16th inst. He has, thereupon, been proposed to be told that the occupation is approved as a temporary measure, pending decision of Govt on the report referred to in para 1 above, and that he would have to vacate the building in favour of the Supdt of the Central Jail, should Govt decide to allot the bungalow to that officer

The Collector has submitted the report called for in memo M 2063/Ac/24-1 dt 8-6-24. pp 14-15 CF He recommends that the upper storey of the building may be utilized as quarters for the D.S.P and that the ground floor may be utilized for accommodating the DI Police office which is now held in a rented building

The file may now be sent to Law(GL) & Judicial (Police) Dis. for remarks on the Collector's proposal. The latter department will doubtless take action also on para 5 of the Collector's letter.

The DSP should advise the G about para 5 of the dmt. & Arms Matters etc. * on page 1 of 57

Col Cameron came to see me about this case the other day (as the Chief Secy was engaged). He said that the need of the Jail Supt was much greater than the need of the D.S.P. and that the D.I.G.s bungalow was by situation better fitted for the Jail Dept as it is very close indeed to the Jail. That the Jail Supt should live close to the Jail is always accepted as axiomatic. He said that if they did not get this bungalow Govt would have to build at a probable cost of about 20,000/-.

He also mentioned a point which should have occurred to me - that the D.S.P. mentions no good reason for giving up his own bungalow which is situated to the south of the Club, near the Reserve Police lines. The I.G. Prisons alleged that the bungalow had been given up to be used as a mess for the troops at Bellary. ~~xxxxxxxxxxxxx~~ The D.S.P. certainly reported that "he had given up his house from the 1st June" and so he was pressing to be allowed to go into the D.I.Gs house. The Supt Engineer, Madras Circle would not allow him to go in but asked for Govt orders. I have seen somewhere a report that he had gone into the house without orders.

The report that we now have shows that the officers consider that the D.I.Gs building could be best used as combined office and residence. But it does not take into consideration two important points that we want local information for

1. Whether a residence of the Supt of the Jail is imperatively urgent. (I.G. Prisons says that he has repeatedly written to Law Dept about this)
2. Why the D.S.P. gave up his bungalow from 1st June and whether this bungalow as a bungalow is unsuitable for residence.

After all a D. .Is office never has to house many clerks and never sees the D.S.P.

Please ask the Collector to report on points (1) & (2) as amended above.

(+ 2928) From the Collector of Bellary : Ref. C. No. 4149/24/B.4 of 20.7.1924

The file has been held back as an intermediate reply has in the meanwhile been received from the Collector which will be found on page 20 C.F.

2. In para 2 of the letter on page 20 C.F. the Collector says that the D.S.P. gave up his old residence as he was ordered to occupy the residence of D.I.G. of Police. In his letter of 30.5.1924 at page 13 C.F. the D.S.P. sought S.E's permission to occupy the D.I.G's bungalow and the S.E. reported the matter to Govt (P.W.D) for orders. It would appear from para 2 of the P.W.D. note at page 13 ante that the occupation of the building by the D.S.P was approved as a temporary measure on the understanding that he would have to vacate the building in favour of the Supdt. of the Central Jail, should Govt. decide to allot the bungalow to that officer. The connected papers which are in P.W.D may probably throw some light on the circumstances under which the D.S.P. gave up his old residence and that dept. may be requested to put them up. The report promised by the Collector in para 1 of his

his letter at page 20 C.F. may be awaited. In the meantime, the file may be sent to Law with reference to D.S's note at page 17 ante and then to P.W.D. with reference to A on the previous page.

In the matter of telephones for Bellary Mr Hydari drew me a sketch of the place at my request but I do not think that it was a part of the file and as the file has been closed I dont think that the sketch is still extant, but I understood from him that the D.S.P. lived to the ~~south~~ of the Club, about as far to the south as the Collrs house is to the north. The Collr himself had reported that a scheme of linking up the D"S.P. with the Jail by telephone at night had been tried and did not do. I am also under the impression that

the D.S.P. gave up his bungalow to be used as a mess for officers. I think that Col Cameron was my informann.

However what ever the case it is clear that the D.S.P. was not ordered to give up his house by Govt and certainly was not ordered to go and occupy the D.I.Gs house. He was pressing for permission to do this and the S.E. would not al it without Govt orders.

A repprt is due from the Collr as to the unsui tabxility of the present quarters of the Jail Supt. May we ask for information as to whose order~~s~~ ~~were given to~~ the D.S.P. to give up his bungalow in the Cantonment and to occupy the D.I.Gs house.

The further report since received from the Collector of Bellary will be found on page 21 CF.

2. In his letter to the Chief Engineer on page 2 CF in the linked file the Supdt. of Police states that he gave up his private residence under orders of the I.G. of Police. Presumably By the I.G.

Portions marked A at pp 2+4 CF in linked file.

the D.G. ordered him to occupy the D.I.G.s quarters so that Govt. may not lose rent for the building. Submitted for orders whether in the Circumstances, any further reference should be made.

ARN 16.8.22) 3 Please see the joint report of the Collector of Bellary and the E.E. Bellary Dn at pages 14-15 CF and also the latest report of the former officer at page 21 CF The question as to which department - Police or Jails - the residence of the D.G. of Police should be allotted may, it is submitted be now settled once for all. The Coll is in favour of assigning the building to the Police dept. The orders of C_3 and C_2 may now be taken before the file is transferred to P.W.D - Vide notes at pages 10-11 ante.

Yes 19.8.22. You seem to have taken the decision in Cs No. 21 sidelined in p 20 to-day.

19/8

The position is now becoming plainer and I do not think that there is any need to write again to the Collr in the matter.

From Mr Atkinsons letter on p 1 of the linkd file it is seen that on the 15th April he gave up his bungalow in Bellary to the Green Howards to be made into a Mess. He then stored his boxes and kit in the D"I.Gs bungalow and evidently went nto camp for 2 months. (In this connection it will be remembered that Mr Siva Rao has been asking questions in the Council about Mr Atkinson ~~xxxxxxxx~~ having head-quarters in Ramandrug.)

On 16th June having failed to get the permission of the S.E. to his taking up residence in the D.I.Gs bungalow Mr Atkinson went in "under orders from the I.G." The I.G. might be asked what when he issued under what authority.

Incidentally we now see why the plan of having the Jail telephone connected up at night with the D.S.Ps bungalow was found to be an unsatisfactory measure! There was no D.S.Ps bungalow at the time when we were corresponding with Mr Duff about the night operator for the telephone exchange.

Coming to the question of who, even now, shall have the D.I.Gs bungalow. The D.S.P. wants to use the top half and have the office in the bottom half. The objection to this is

1. The present D.S.P.s Office has been taken on lease at 100/- a month for ten years and there are more than 7 years to elapse. The Collr states that as the building is threatening to collapse it should be easy to declare the agreement void. I am not so sure. If this is the case and the landlord does not see much chance of getting another tenant at the same rent, he is fairly certain to take steps to see that the building does not collapse.

2. The protests of Col. Cameron who wants the building for his Jail Supt.

Mr Duff has also visited the residence of the Jail Supt and his remarks are found at p 21 He makes the rather confusing statement that for an Indian Officer the house is more suitable than the present D.S.Ps house. By this does he mean the D.I.Gs house? He also says that the building is "by no means impossible" for a European. This is a very qualified statement. With so many Moplahs at Bellary I should have thought that Mr Duff would be the first to want to have quarters fit for a European Jail Supt.

In any case it seems that we ought to let Col Cameron have his say. Bellary used to house a considerable number of troops and it seems odd that now that these troops have nearly all been taken away the only bungalow for the D.S.P. is the one which the I.G. Prisons wants so specially.

It seem quite clear that the Local Govt Officers & the Collector were not quite candid in their replies to Govt on the point

On balance I think it seems best on the whole if assigning the bungalow as quarters for Jail Supt

I agree with the C. S. in his Conclusion

Judicial 2283A
